We are ears

"I supported and was supported by my mother up until my second year of community college, my mother passed away due to an aggressive brain cancer. My father, absent at the time, was nowhere to help me and I was basically left to the streets. For a brief period in time, I was living out of my car, recycling bottles and cans I'd find laying around my college in order to pay for food and to continue going to school. After being accepted to UCD, I had to quit my jobs back home and have resorted to taking out loans to focus on my studies and adjust to life here in Davis. This scholarship would mean I could finally focus on my education, instead of worrying about my starvation."

Every quarter we award 3 deserving undergraduate students 250 dollar gift cards for food. We reward their willingness to give back to the community and understand the hardships life has put in their way.

Spring time is show time! We fundraise at the end of the year with the help of culturally diverse performance clubs on campus.

Weekly Fundraisers!

We are a team

Every year clubs on campus get together and build these pieces of art—hands on in our Canned Food Castle Competition!

About ASUCD The Pantry

Founded in 2010, in direct response to growing student need, ASUCD The Pantry is student-run organization that operates almost entirely on donations from the UCD, Davis and Yolo County community. We are a safety net for UCD students—of all degree levels—who sometimes struggle to make ends meet, distributing nutritious foods (including fresh fruits and veggies) and personal items.

Without your help, and help from others like you, ASUCD The Pantry would not be a sustainable program.

Thank you for your generous support!
